Section 10 - Enforcement.....	6
Section 11 - Behaviour Code	6
Section 12 - Privacy notice.....	7

Section 1 - Introduction

1. These Terms and Conditions apply to a parent/guardian applying for a 5-10 Zip Oyster photocard (referred to as '**photocard**') on behalf of their child.
2. In these Terms and Conditions (except in sections 8,9 and 11) “you” and “your” refer to the parent/guardian applying on behalf of an eligible child.
3. The photocard allows children aged between 5-10 years old to travel free on Tube, DLR, London Overground, TfL Rail (excluding between West Drayton and Reading) and most National Rail services where pay as you go is accepted. They can pay as you go at child rate on the Emirates Air Line, Gatwick Express and Southeastern high speed between St. Pancras International and Stratford International. Children aged under 11 do not need an Oyster photocard to travel free on buses and trams unless they look older. Children aged under 11 do not need an Oyster photocard to travel free on the Hammersmith Ferry when accompanied by an adult.
4. TfL may terminate or revise the Scheme or amend these Terms and Conditions at any time.
5. It is the responsibility of the parent/guardian applying on behalf of their child, to be familiar with these [Terms and Conditions](#).
6. Use of a 5-10 Zip Oyster photocard is deemed acceptance of these Terms and Conditions.
7. All photocards are the property of TfL and are issued in accordance with [TfL's Conditions of Carriage](#).
8. We may refuse to issue a photocard at our discretion.

Section 2 - Eligibility criteria

1. Children must be aged between 4 years and eleven months and 10 years and eleven months when applying for a 5-10 Zip Oyster photocard.

2. A young person may only hold one active TfL Oyster photocard at any time. If an applicant has more than one photocard, all photocards will be stopped without notice.

Section 3 - Application process - general information

1. [Applications for 5-10 Zip Oyster photocards](#) must be made online.
2. Applications for a photocard must be made by the parent/guardian on their child's behalf.
3. To apply online, the parent/guardian must have a web account. To create a web account, they will need a valid, active email address and they will need to provide their name, address and date of birth to confirm they are aged 18 or over. If the email address has already been used for another TfL Oyster photocard web account, they will need to use a different email address.
4. We define the parent/guardian of someone aged under 18 as an adult that the photocard holder lives with for the majority of the time (If there is a dispute about this, we will make a decision based on information available to us). The address provided in the web account should be the address of the parent/guardian.
5. If the parent/guardian needs to update the address in their web account, they must do this before they start an application. If they change the address once they have started an application this may affect the expiry date of their child's photocard. If they need to change address mid application, they should delete the application they have started and start a new application once they have updated their address.
6. We will only discuss an application with the parent/guardian (web account holder) who originally made the application.
7. Where an application made by a parent/guardian is accepted by TfL, there is an agreement between TfL and that parent/guardian.
8. We may contact the parent/guardian and ask them to provide further proof of their child's age. If this happens, a photocard will not be issued (or an existing photocard may be stopped) until satisfactory further proof has been sent in.
9. The parent/guardian must pay a non-refundable administration fee for the application. The administration fee is non-refundable even if the application is rejected. There is a non-refundable administration fee if you're replacing a lost, stolen or damaged photocard.
10. Teachers may not apply on behalf of their students. If they do, the application is liable to be rejected and any photocard issued may later be stopped.
11. The parent/guardian will need to upload a digital photo for use on the 5-10 Zip Oyster photocard so that the child is identifiable as the holder of the photocard. It must be a true likeness of the child and must be a full-face photo of their head and shoulders. They should not be wearing anything that covers their head or face, unless it is consistently worn for medical or religious reasons. The photo must be:
 - clear and in focus;
 - in colour; and
 - unaltered by computer software
12. Photos including graphics and/or filters will not be accepted.
13. We are not liable for any application, letter, rejection letter or photocard lost, damaged or delayed in the post or email not received by you or TfL. This includes any delay in the photocard being received in the post. TfL is not liable for any fares paid while waiting for applications to be processed or photocards to be received.

14. If a photocard has been sent out and TfL is satisfied that it has not been received, we will generally send another one free of charge. If you gave us your mobile number, we will text you when we have posted your photocard. Contact us if you have not received it within two weeks of applying.
15. When an application is received for a new photocard to replace a lost, stolen, damaged or failed card, or to update a photo, the existing photocard will stop working on or shortly after the issue of the replacement photocard. This may mean that the photocard will stop working before the date printed on the photocard. While waiting for a new photocard the photocard holder will need to pay for their travel if their existing photocard has been stopped.
16. No refunds will be made for travel before your child receives their photocard, however a goodwill payment may be considered where TfL is satisfied that there was a fault or failure on the part of TfL.
17. If we have withdrawn a photocard that was previously issued, a replacement photocard may not be issued unless your child has fulfilled all the conditions necessary to have their photocard reinstated.

Section 4 - Online application process for London residents

1. All conditions outlined above apply.
2. Your photocard will be sent to the address that you've supplied in the web account.
3. You must upload a colour image of your child's valid passport during the online application process. The image must clearly show your child's personal details including their photo, name and passport number.
4. Only an image of your child's valid machine-readable passport should be uploaded. Other documentation is not accepted.
5. The passport image will be checked as part of your application. If the image does not meet our criteria, we will let you know by email. You will have to upload a new image of the child's passport before we can issue your photocard.
6. If we consider the details or evidence you provide are inaccurate or unreliable, we will not issue you with a 5-10 Zip Oyster photocard.
7. If you don't have a valid machine-readable passport, you will be prompted to download a verification letter. You will need to take this to a Post Office in London along with the required proofs of identity and eligibility and/or to pay the administration fee by credit/debit card or cash. Cheques are not accepted.
8. The verification letter is valid for two weeks from the date of application. If you do not go to the Post Office during that time, the verification letter will expire, and you will need to download another one.
9. If applying online but verifying age in person, the parent/guardian must provide proof of their child's age, using:
 - A passport,
 - An ID card from a European Economic Area country,
 - A birth certificate, or
 - A biometric residency permit.

If the date of birth provided in the application doesn't match the date in the identification provided, the application will be rejected.

10. If you do not have the documents described in Clause 9, above, you can ask the school your child attends to verify their age. You will need to download a verification letter and the school will need to confirm that the date of birth you have provided is correct, endorsing the letter with the school stamp.
11. We may contact the Post Office if there are concerns about the proof of eligibility provided at a particular branch. If this happens, we will not issue a photocard (or an existing photocard may be stopped) until it has been investigated.
12. We may contact your child's school to provide further proof of the applicant's eligibility. If this happens, we will not issue a photocard (or an existing photocard may be stopped) until satisfactory further proof has been provided by the school.

Section 5 - Telephone support for London residents

1. All conditions outlined above apply.
2. In some circumstances our customer services team can assist you in making your application over the phone.
3. If you are unable to complete the whole application over the phone, we will send you a verification letter. You will need to take this letter to a Post Office in London along with the required proof and/or to pay the administration fee by credit/debit card or cash. If you are verifying your child's age at their school, you will need to complete this before going to the Post Office.
4. The verification letter is valid for two weeks from the date of application. If you do not go to the Post Office during that time, the verification letter will expire, and you will need to request another one.
5. If you have not been able to apply online, we will also send you a photo form. You need to affix a photo of your child to it and return it to us in the pre-paid envelope provided. We cannot return the photo to you.
6. We cannot process your application until you have completed your application at the Post Office, and we have received your photo. You should allow a **minimum** of three weeks for the processing of an application made over the phone.

Section 6 - Applications for non-London residents

1. All conditions outlined in Section 3 apply.
2. If we have been able to verify your child's age online, and you live in the UK, we will post the photocard to you.
3. If we are unable to verify your child's age online, or you live overseas, the photocard must be collected from a [Visitor Centre](#). You will be able to select your preferred Visitor Centre during the application process. Once your application is complete, we cannot change the collection place or date. If you want to change it you'll need to make another application and pay a non-refundable administration fee.
4. If you are collecting your photocard from a Visitor Centre, you must apply at least 28 days before your preferred collection date.
5. If the image of your child's passport is rejected, you will need to upload a new one.
6. If your child's photo is rejected, you will need to upload a new one. If, after uploading the new photo, there are fewer than 28 days before the collection date, then you will have to select a new collection date.

7. The photocard will only be available at the Visitor Centre you have chosen. It will be available from the collection date you have specified in your application, for a maximum period of 14 days. After that time, it will not be available for collection.
8. You will need to bring your confirmation email with you when you go to the Visitor Centre to collect your child's Oyster photocard. This is needed to locate your photocard and to verify you have completed your application successfully.
9. Visitor Centre staff will not issue your child's photocard if you do not provide the required proof of age. This should be either your child's passport, ID card from a European Economic Area country or birth certificate. No other documents will be accepted as proof of age.

Section 7 - Obligations of the parent/guardian

1. The parent/guardian applying on behalf of their child is expected to ensure that the photocard holder is aware of and adheres to the [Behaviour Code](#).
2. You must complete all parts of the application and confirm that your child understands and accepts the terms and conditions.
3. If your child's appearance changes significantly, or the photo becomes faded, damaged or scratched, you should order a new photocard immediately and upload a new photo where necessary. If the photocard holder cannot be identified by the photo, their photocard may be withdrawn and they may lose their eligibility for concessionary travel for a period of time. If their photocard is withdrawn, you'll need to apply and pay for a new photocard for your child.
4. You must notify us of any change to the photocard holder's details, including change of address.
5. If the photocard is lost, stolen or damaged, you must report it to TfL as soon as possible, even if you are not going to order a replacement straight away. You can do this by [signing into your web account](#).
6. You need to pay a non-refundable administration fee when replacing a photocard that is lost, stolen or damaged. If your child's photocard stops working, you should contact TfL as soon as possible. You may be eligible for a refund for the fares paid for travel while your child was waiting for a replacement photocard. [Find out more about refunds](#).
7. If there was a discount rate season ticket and/or pay as you go credit on the lost, stolen, damaged or failed Oyster photocard, or if your Oyster photocard has expired and you have ordered a new one, we aim to issue a new photocard with the remaining products on it. Where this is not possible, we may at our discretion arrange a refund. [Find out more about refunds](#).
8. If your child needs to change the name on their photocard (whether they have changed it by deed poll or not) call us on 0343 222 1234 for advice.

Section 8 - Obligations of the Oyster photocard holder

1. The clauses below (8.2 and 8.3) apply to the 5-10 Zip Oyster photocard holder
2. You must adhere to the Behaviour Code and follow its guidance at all times when using public transport.
3. You must make sure that TfL is notified immediately if you lose your Oyster photocard.

Section 9 - How to use a 5-10 Zip Oyster photocard

1. The clauses below (9.2 and 9.3) apply to the 5-10 Zip Oyster photocard holder
2. You must always touch in when using buses, trams and the Hammersmith Ferry, and touch in and out when using Tube, Docklands Light Railway, London Overground, TfL Rail, Emirates Air Line, River and National Rail services.
3. You cannot use a 5-10 Zip Oyster photocard to travel between West Drayton and Reading or on other contactless-only National Rail services.
4. If you have insufficient pay as you go credit on your photocard or you do not touch in or out properly when using pay as you go, your photocard may stop working. If this happens, you'll need to top it up before you can travel again.

Section 10 - Enforcement

1. The travel concession is not a legal right. Any breach of the terms and conditions and the Behaviour Code may, at the discretion of TfL, result in the withdrawal of a photocard and the photocard holder may not be able to get another one.
2. The photocard is not transferable and may only be used by the photocard holder. If your child allows others to use it, your child may lose their eligibility for concessionary travel for a period of time.
3. Use of the photocard to obtain free or discounted travel when your child is no longer eligible is fraudulent and may lead to prosecution.
4. We do not tolerate our staff or agents being threatened or abused, physically, verbally or in writing. Any such conduct by you or your child may result in any application being rejected or the 5-10 Zip Oyster photocard being cancelled or withdrawn. TfL may, for a period or indefinitely, reject or refuse to consider applications for concessionary travel from anyone who engages in such conduct.
5. If we are aware of fraudulent activity relating to the usage of the 5-10 Zip Oyster photocard by you or your child, the photocard will be stopped and your child may not be allowed another Zip Oyster photocard.

Section 11 - Behaviour Code

The Behaviour Code below applies to the 5-10 Zip Oyster photocard holder and it is the parent/guardian's responsibility to ensure they understand it and adhere to it.

TfL's Behaviour Code exists to ensure you travel safely and show respect for our passengers, staff and property. You must follow it. Expected behaviours include, but are not limited to, the following:

Act in a considerate and responsible manner

- Act safely
- Cooperate with our staff and treat them and other passengers with respect
- Use language that does not cause offence to others
- Ensure you are the only person that can hear your music
- Ensure you pick up all your litter
- Keep your feet off the seats
- Give up your seat for others

Look after your Oyster photocard

- Ensure it is not used by another person
- Ensure your photo is clearly recognisable and the card is in good condition
- If it is lost, stolen or damaged, report it to TfL immediately, even if you do not plan to get a replacement straight away

Use your Oyster photocard correctly

- Always touch in on the yellow reader on buses, trams and the Hammersmith Ferry
- Always touch in and touch out on the Tube, London Overground, DLR, TfL Rail and National Rail services
- Pay the correct fare if you do not have your valid photocard with you, or it is damaged
- Pay any penalty fare that has been issued to you

You must not:

- Smoke, or use an electronic cigarette, take drugs or drink alcohol on our vehicles and/or premises
- Behave in a way that we consider to be antisocial
- Commit any crime that affects our services, passengers, staff or property
- Breach the Conditions of Carriage Public Service Vehicles Regulations (1990) or any TfL Byelaw

Section 12 - Privacy Notice

Transport for London (TfL), its subsidiaries and service providers, will use your personal information and that of the child named in this application for the purposes of customer services and administration, the provision of travel related information, customer research and fraud prevention. The use of this Oyster photocard, in connection with National Rail products or services, or London river services will authorise TfL to share the concession holder's personal information with relevant Train Operating Companies (TOCs) and river service operators so that they can use it for the purpose of fraud prevention. Any personal information will be properly safeguarded and processed in accordance with the requirements of privacy and data protection legislation. [Find out more about Privacy.](#)

Relevant police services, and Local Authority Anti Social Behaviour units may provide TfL with details of any breaches of the Behaviour Code and/or criminal convictions, warnings, reprimands, or other sanctions issued in relation to offences that have been committed by the concession holder on, or in relation to, London's public transport network. Such information may be used as the basis for the withdrawal of the concession and TfL may inform the police of any decision to withdraw the concession.

In certain circumstances, TfL, relevant TOCs and river service operators may share the personal information provided in this application form with the police and other law enforcement agencies for the purposes of the prevention or detection of crime.

TfL may contact you shortly before the expiry of this travel concession, to inform you of the ticketing options available to the holder of this travel concession from that date.
